Foreword

Memories '69 marks another addition to our expanding storehouse of experience and impressions. Our years at Townville High School have opened the door of knowledge to us in many varied areas of interest. Many of our experiences have been such as to improve our understanding of the world and its effect on our lives. Other experiences occurred which have developed our social awareness of people - some very similar and others totally different. Still further experiences have taught us how to win and lose on the athletic fields, how to work together as a team and consequently how to work toward success for all.

All of these experiences form the impressions of our school years and will be with us for the remainder of our lives. We, the staff, hope MEMORIES will succeed in making these experiences live on into the future.

SUPERVISING PRINCIPAL

Charles W. Bentel

To the Class of '69:

I feel this book helps to reflect the tremendous spirit and feeling of pride that has been evident in the school this year. It seems to me that the school has come of age. We have reached a position of respect in the county educationally and can boast of having one of the top teaching staffs in the area, and certainly in having the top principal in Mr. Hood. When you combine those ingredients with a unique and rather special student body it's bound to be a year to remember. 1968-69 might - just might - have been the best year ever at Townville High School.

Charles W. Bentel

Charles W Bentel

Supervising Principal

To the Class of '69:

You, who are members of this year's graduating class, have completed the first step along the long road which leads to becoming an educated person. It is my belief that your educational foundation has been well established at Townville High School and that you are well prepared to go forth from here and succeed in whatever your chosen field of interest is. However, remember that the wise man does not close his eyes and ears from learning, when he leaves school. Your education is not ending now, only beginning. You will soon find that whatever you have learned here is only the beginning of education and that the educative process will continue throughout the remainder of your life.

Education is necessary in a democratic society, therefore it is imperative that you members of the Class of 1969 become educated, value education, and provide education for people who will follow you. This is a difficult task. But I am confident you can accomplish it.

The Junior-Senior Prom took place on May 24, 1968 in the Townville High School gymnasium. The Juniors chose "Hawiian Night" as the theme for the annual occasion.

The class worked many long hours with the assistance of their advisor, Mr. David Hilbert, without whose advice and cooperation this event would not have been a success.

LEFT - RIGHT: Escorts - Bob Holcomb, Frank Proper, Bill Slagle, Jim Lingo, King - Bart Stocker, Queen - Judy Ghering, Candidates - Mary Hefferman, Mary Culbertson, Linda Gawlinski, Kay White.

The crowning of the King and Queen, Barton Stocker and Judy Ghering, by Lester Snow, Junior class president was the climax of the prom.

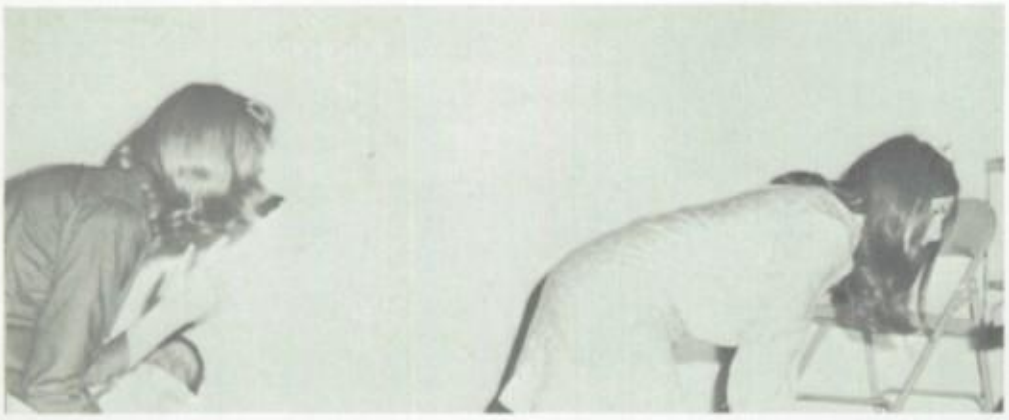
1968
Homecoming

Playing on Townville's rainsoaked home turf the Eagles upended Saegertown 29-0 in the 1968 Homecoming game. The team got off to a roaring start with the first touchdown by halfback Roy Winans. Jim Colwell's PAT attempt was true and the Eagles led, 7-0.

Early in the second quarter, field general Dunbar, engineered a 45-yard drive which culminated in a touchdown by Dallas Reynolds. Minutes later the Eagles rolled onto another TD by Winans, and in the final seconds of the quarter Peters snared a 20-yard touchdown. The score at halftime was 27-0.

In a rain-drenched ceremony during halftime Diane Magee was crowned the 1968 Homecoming Queen by outgoing queen Marilyn B. Kunick.

The second half found Saegertown a victim of Townville's defensive aggression holding Saegertown to minus yards and resulting in a safety for the Eagles. At the hands of linemen Westfall and Miller this capped the scoring and Townville won 29-0.



The 1968 Townville High School Drama Club Play

The Drama Club exists at Townville High School to fulfill two fundamental functions. First, the club is designed to provide worthwhile entertainment for the school and community and, second, to provide an outlet for students creative and dramatic abilities. This years fall drama club presentation was titled the "Wall to Wall War." The play cast, along with their advisor, Mr. John McCracken worked diligently for many long hours to ensure a successful presentation. Thanks to their effort and abilities their play was a mark of talent and skill.

Head Coach - DAVE HILBERT

This year's EAGLES rolled to a 6-1-1 record and sole possession of the Crawford County Championship. This marked the second league title for the EAGLES in three years and one of the best records in the history of THS, second only to the 7-1 record of 1962.

The Blue - and - Gold scored a record-smashing 201 points to their opponents 75 for an average of 25.1 points per game to their opponents 9.3 points per game. This year's team boasts of the best defense in the history of football at Townville.

LeRoy Winans broke the single-season scoring record with 17 TD's and established a new career scoring record of 39 TD's and 5 extra points. THS placed a record-breaking 10 men on the County All-Star Team - Jim Davis, Doug Peters, Curtis Hollabaugh, Dallas Reynolds, Mike Shaffer, Terry VanCise, LeRoy Winans (also nominated to the Pennsylvania Big 33 All-Star Team), Alan Dunbar, Jeff Farrar, and Bob Westfall. This year's Seniors have compiled a most enviable record since seventh grade - 33-8-1. This is a record of which all can be proud and will serve as a goal for succeeding squads. The squad was blessed not only with great Seniors but the most able support from outstanding Juniors and Sophomores, all of whom were dedicated to the sport.

The '68 squad possessed a great pride and a desire to be better than best. The members of the squad sacrificed personal glory for that of the team. That is the mark of a true champion. This year's FIGHTING EAGLES will long be remembered for the bigness in their playing and conduct both on and off the field. They have truly earned for Townville the distinction of being NO. 1 in the county - our hats are off to these fine young men.

Camp . . . Townville Style

Three years ago THS initiated its first football camp which was held in the high school. The squad slept in the gym on army cots and ate in the cafeteria. Since then, a more ambitious type of camp has been undertaken. For the past two years, the squad has gone to camp AH-TOD-A-NAC located on the west side of Canadohta Lake. The camp is owned and operated by Mr. and Mrs. John Mixer of Butler, Pa.

Since going to camp three years ago our squads have finished second in the league, tied for the championship, and, this year, won the championship outright. Much of our success during these years has to be contributed to our pre-season camp. While at camp the boys eat, sleep, and play football twenty-four hours a day. It's during camp that the players have the opportunity to live with one another and from this a better understanding of one another. A greater harmony, loyalty, and pride between the ballplayers and coaches has resulted.

Camp life is different from anything that most of our players have ever experienced. Practicing three times a day or about eight hours rain or shine, it is filled with a tremendous concentration of football fundamentals, bumps, bruises, etc. The ballplayers' day begins at 6:45 A.M., when they rise, and ends at 10:00 P.M. when lights go out and the coaches tuck in their sleeping beauties, to dream of the days of glory that lie ahead.

Aside from the ill lighted backrooms in the cabins, the dining hall with its spacious fireplace, piano and ping pong table serves as the major recreational outlet. (Wonder what goes on in those rooms ... must be studying football plays). The HILL which, by the way goes by certain other names is a favorite not only among the coaches but the players as well. Much time is spent in recreational running on the gently rolling green ... The private beach, which is outdone only by the white surf of Waikiki, is another favorite of most of the squad.

As you have ascertained by now, camp life is filled with work and the right amount of play so as not to make the EAGLE a dull bird. It has also helped to establish many new traditions in football. The number one tradition being PRIDE. PRIDE in the school, PRIDE in the community, PRIDE in the squad, and PRIDE in the way we play the game. It is this PRIDE that has made us the NO. 1 football team in the county and has gained respect and admiration for Townville.

Apparently "selfish" is a word that the players of the varsity basketball team have never heard. For teamwork was the keynote in producing the best record in Townville history.

It was a team whom no one slated as a contender, yet, when the air cleared, we were in the thick of the action. Crawford County sports fans do painfully recognize us as spoilers. This year has proved to be no exception. Come on over, contenders, we like to spoil!

This years' Junior Varsity was a very agressive and hustling team. They had a fair record but many of the games that they lost were very close and weren't decided until the last few seconds.

With a little more time spent on fundamentals, many of these losses would have been wins.

When the boys attend the summer basketball program, these fundamental mistakes will be corrected and lead to many victories in varsity competition next year.

COACH PATTON

SENIORS: L. Snow, D. Peters, J. Davis

The Varsity Volleyball program has grown with each succeeding year. This year's team has the potential to surpass all the goals achieved by its predecessors. Last year, we were fourth in the state. So this year ...

COACH J. FRELICK

The track program at T.H.S. has been steadily improving. The 1968 team record was seven wins and six loses. Jim Gifford set a new school record in discus while Doug Peters set a new pole vault record and tied the existing high jump record.

Track Seniors

ROW 1: L. Snow, D. Reynolds, J. Davis, J. Davison, C. Hollabaugh, W. Brady.

ROW 2: D. Wright, D. Peters, C. Johnson, B. Roberts, M. McMahon, M. Shaffer, J. Proper, J. Gifford.

The Team is looking forward to continued success during the 1969 season. Although Coach Frelick has much confidence in his boys' abilities, he believes a track would aid in improving the boys' performance and enable them to earn state recognition.

Golf Team

Golf is a new sport this year at T. H. S. Although inexperienced these boys have a willingness to learn and the desire to win. This team is sure to carry the winning tradition of T.H.S. into the future.

ROW 1: P. Williams, F. Obert, T. Hover, Mr. Rusek (Coach). ROW 2: J. Davis, J. Proper, J. Colwell, A. Dunbar.

Girls' Volleyball

ROW 1: C. Smith, S. Mook, J. Post, L. Frazier, S. Frazier.
ROW 2: C. Heffern, K. Miller, B. Berlin, B. McLaren, S. Frantz.
ROW 3: S. Reynolds, D. Cornell, N. Sansom, K. Colwell, S. Magee.

This year's girls' volleyball team looked very promising. In the pre-tournament scrimmages, they posted a 16-3 record. At the county tournament, however, the record (5-9) failed to tell the true story. Many of the games were close, and the team's performance gained the respect of all opponents. Sharon Mook, senior, was named to the second-string county all-star team, while June Post, also a senior, and Kathy Colwell, sophomore, received honorable mention. The desire, spirit, and teamwork plus the coaching by Mrs. Simmerman resulted in an exciting and reasonably successful season and leaves good hope for next year.

Girls' Basketball

ROW 1: K. Colwell, L. Frazier, S. Reynolds, S. Frazier, S. Mook, S. Frantz, S. Magee, K. Miller.
ROW 2: N. Sansom, N. Harrington, C. Heffern, B. Patch, K. Fisher, L. Carpenter, M. Spratt, K. Beckwith.

ROW 4: D. Winans, L. Cowen, P. Arnold, B. Conaway, D. Dunbar, D. Foltz, D. Smith, J. Tomer, N. Shreffler.

Girls' Basketball was conducted on an intramural basis this year, there was a good turnout, and the interest resulted in experience for the participants. An observor would see much improvement in basic skills and overall playing ability. These were put together for some very interesting scrimmages.

ROW 1: C. Stockwell, C. Corsini, C. Heffern, K. Colwell, S. Mook, B. Berlin, S. Magee, K. Miller.
ROW 2: L. Frazier, S. Reynolds, S. Frazier, B. Patch, K. Fisher, L. Carpenter, M. Spratt, M. Davison.
ROW 3: J. Patterson, N. Harrington, J. Sosnowski, C. Gibbs, P. Conaway, B. Mallory, D. McAlevy, B. Frazier, D. Hodges.

Girls Track

The Girls' Track team is an important part of the girls' athletic program at T.H.S. During recent years team members have been successful at district, state and regional events. With the coaching efforts of Mrs. Simmerman, we are sure the team will continue its fine success.

ROW 1: D. McAlevy, J. Steadman, J. Kosik, K. Kinkade, C. Frelick, J. Drake, S. Copeland, L. Davis.

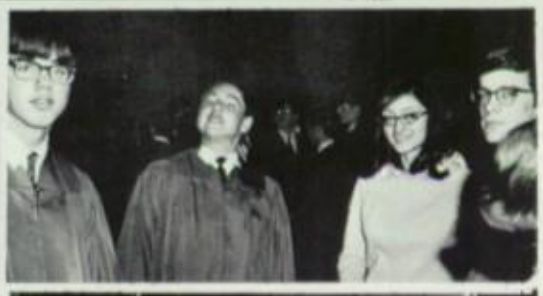
"Be Americans. Let there be no sectionalism, no North, South, East or West; you are all dependent one on another . . . In one word, be a nation . . . "

George Washington

The Seniors dedicate the following section to the memory of Douglas Foltz!

Forever in the hearts of all loved ones, your memory remains;
As not even time could grasp you from my retentive reins.
Always it is recalled, the love, the cares, we knew and shared;
Such are the pleasantries that flow back to me, as I see you in a sea of blue;
And thus you live forever in my fondest thoughts of you.

Bonnie McLaren



CLASS MOTTO:

Don't let life discourage you. Everyone who got where he is had to begin where he was.

- Richard L. Evans

I have been reading and thinking and learning for years now and now I want to do something. Not just anything but something to get involved. To design and build. Snoop around the sea and in space. Try to find out what makes our cities tick and help repair the years of standing still. Then I'll be doing something - not just anything.

- Newsweek

By changing very few words the above statement could have been made by any of the Seniors who will be graduating this Spring. For twelve years they have been given instructions and carried them out, with or without an argument. The world has not paid much heed to these people - they were too young. But now they go out to join this world and make a place for themselves. Now the world must listen; in the next decade it will be these people who will be leaders of their country, not the unheard.
